LEWIS-MANNING DAY HOSPICE
REFERRAL FORM

Date of Referral: ……

ELIGIBILITY CRITERIA FOR DAY HOSPICE AND REFERRAL INFORMATION
Lewis-Manning Day Hospice is a small friendly unit that caters for people who are over the age of 18 years, living with a life limiting disease, such as Cancer, Neurological conditions such as Motor Neurone Disease, Multiple Sclerosis, Progressive Supranuclear Palsy and Parkinsons Disease. Some of our patients also suffer from specific lung conditions. We are not a specialist unit for people with dementia. We are able to offer a 3 month programme for patients with an expectation that individuals can be re-referred back to us after a 3 – 4 month break. Patients usually attend the same day each week. Day Hospice is open from 10am to 3pm. There is an activity coordinator available on most days. Referring Health Care Professionals should try and complete as many sections as possible. If any sections are incomplete we may need to contact you. **Please write clearly**. We accept patients from all the around Poole area. We reserve the right not to accept a patient onto a programme if we do not think they are suitable for our facility. If you are unsure, please phone **01202 492608** and speak with the Day Hospice Team Leader or their Deputy. Please note, Lewis-Manning Hospice is strictly a **NO SMOKING SITE**
